

NWCC CHAMPIONSHIP POINTS CLAIM FORM

Please note that championship points must be claimed in respect of any event that is NOT a round of the ANWCC Championships, or for any event outside NWCC in which you have assisted my marshalling or officiating. Please use the form below and send to the Competitions Secretary (DVT) or you can claim by sending an e-mail to dave@anwcc.org telling him what you did. For events in which you competed you must have entered under the club name and if this is not shown on the published entry list proof must be obtained from an event official to confirm that your entry was made under NWCC.
